

AATPL - SG - 9180

Performance

Light Source	650±10nm VLD
Depth of Field	Up to 250 mm@13 mil/0.33mm, PCS 90%
Scan Pattern	7 directions scan field, 24 lines
Scan Rate	2,400 scans per second
Resolution	5mil / 0.127mm
Print contrast ratio	30%
Indicator	Beeper and LED (Stand by Blue, Good read Orange)
Interface	RS-232, USB(USB HID or Virtual COM port), Keyboard Wedge, Powered USB

Physical

Color Available	Black or Beige
Dimensions (WxHxL)	152.02 x 152.07 x 90.22 mm, 152.02 x 152.07 x 95.15 mm with back mount
Weight	690g

Electronic

Input Voltage	DC +12V @1.5A
---------------	---------------

Power Consumption	2.28W
Operating Current	190mA
Standby current	160mA
Environmental	
Ambient light	Up to 4,800 Lux
Operating temperature	0°C ~ 40°C (32°F ~ 104°F)
Storage temperature	-10°C ~ 60°C (14°F ~ 140°F)
Symbologies	Automatically discriminates major standard 1D bar codes, include GS1 databar - Omnidirectional, Expanded and Limited codes.
